April 9th Entertainment Meeting

Our Annual Static Contest will be held on April 9, 1986 - (Wednesday) at the Addison Public Library, starting at 7:30 pm. Plan on being there early if you are entering a plane in the contest so that we can start promptly at 7:30. We will have two (2) categories: Sport & Stand Off Scale.

\* Remember, you must be the original builder, and if your plane has won in a previous Barnstormer contest, you are not allowed to enter that same plane!

We will have cash prizes for 1st, 2nd, 3rd and 4th place for both categories. After the winners have been selected, and if time permits, we will ask the individual winners to display their models and give us a brief history about the model.

April 23rd Business Meeting

Our business meeting will be on Wednesday, the 23rd, starting at 7:30 pm. Our topic for discussion will be safety. We will also have our club raffle.

Month of May

Starting the month of May, we will have our entertainment meeting on the 2nd Wednesday of the month, which will be our field meeting. The business meeting will be on the 4th Wednesday of the month, held at the Addison Public Library.

\*May 14th will be our first field meeting.

\*\*\* IN THE NEWS \*\*\*

Transmitter Stand

The Transmitter Stand is finished and out at the field. There is now a holder for each aircraft frequency. Many thanks to Karl Schoder for an excellent job on modifying our flight stand.

Field Condition

I would like to take this opportunity to thank Chuck Pazdzioch and Stan Hoefer for donating their time to roll the field on Friday, March 28th.

I think everyone will notice the difference!

NOTE:

If anyone borrows a movie from the Club library, you must return it at the next meeting, or make sure to get it back to Steve Schoening.

\*\*\* Meeting Minutes \*\*\*
