****WHAT'S NEXT****

December 10th Club Meeting

This is the only meeting to be held in December, But remember DON'T MISS THIS ONE! Great prizes will be raffled off. The only thing you need is to be present. All club members are eligible and names will be pulled at random just like at the November 12 "Turkey Draw". We have three airplane kits and many more great prizes. So mark your calendar and get there early (7:30) for a front row seat.

Mike Pascucci and Dick Smith will be showing an edited video tape of inflight film from a R/C model that Mike and Dick constructed and flew. This should be something unusual for the R/C enthusiast.

**** IN THE NEWS ****

November 12th meeting produced the following results. Fifty members and two guests were present. This was one of the better turnouts we have had. Usually the Holidays gets all those lost members out into the cold to share our Holiday warmth at the library. The guests were Tom Ahorn and Bob Jackel. Bob is an experienced flyer who moved here from Wisconsin.

Elections were held and the following members were voted in to create the "New Club Officers"

President:	Walt Zenkner
Vice-President:	Chuck Pazdzioch
Treasurer:	Chuck Weibler
Secretary:	Eric Bergstrom

If you notice that the new officers are somewhat different than the original nominations that were made on October 22nd. This was necessary because of declines from those nominated and also stipulation in the bi-laws that made others in-eligible.

Board of Directors:

Elected in to the Board of Directors are: Mike Pascucci, Steve Schoening, Stan Hoffer.

Automatic board members are the club officers for 1987, and former officers of 1986 which is only Bill Petrole which makes up eight board members.

The following members joined committees: John Borucki- Fun Fly Committee
Sam Vardolos- Food Committee
Sam Thompson- Flight Instructor Committee

The grand finally for the evening was the ten turkeys and two gift certificates raffled off.

The names were drawn in the following order and only present members could win. An * next to each present winners name. Looser, read it and see what you could have won. So don't miss the next one! DECEMBER 10.
