AMA Chapter 640

<http://www.suburbanrcbarnstormers.com>

Fun Fly #3 rescheduled for October 3 went well, 12 members participated in the event on a beautiful morning to fly. Thanks to Ernie, the club was provided with 25 new Suburban RC Barnstormer Hats at the Fun Fly. Kurt will be handing out one hat to each member that has not received the new style hat.

The Theme of the event created by Merv, was to fly something unusual, have attached a couple pictures of Merv's model on pages 4 and 5. Although the model didn't fly extremely well, several members had fun attempting to pilot this plane.

Kurt and Ernie tried something unique, Ernie brought a crawler and towed Kurt's glider fast enough to launch a few times. Probably the first time that has been tried at PWW.

A reminder to all about the Winter Warriors Program; if interested in flying through the winter months, please contact Kurt. As noted in the last newsletter, the program runs from November to April, we look forward to your participation.

We Look forward to seeing everyone at Pratt's Wayne Woods January 1st for the Frozen Finger.

Next Membership meeting is Monday January 11th at 7 PM through Zoom. Please send Kurt an email if you wish to be provided with an invite to this meeting, as always, we hope everyone can participate.
